Outside Story Events

Helping Educate on Everyday (and not-so-everyday) Topics

- ▶ Your 13-year-old son is clearly interested in more than the neighbor girl's pitching skills. You wonder if you've done enough to prepare him to deal with the feelings he's experiencing. Should you say something? what? or maybe just leave it be?
- ▶ It's July again. Another year gone by, and once again you will be the only one who remembers the shock and pain of an ultrasound with no heartbeat and the excruciating heartbreak of all that followed. Is it weird that you always take that day off from work? Is it okay that you never tell your boss why?
- ▶ Scrolling through the photos that you took of your daughter's birthday, and a wave of guilt washes over you. You promised her birth mom that you would send photos and stories, but now you have conflicted feelings about that promise. Is that jealousy you feel? Selfishness? Where did these feelings come from?

Do any of these stories sound familiar?

If they do (and even if they don't), allow us to introduce you to....

Outside Story Events.

At Next Step we have individuals with training and experience to help with conflicts, questions, and scenarios just like these. During an Outside Story Event you choose the location. Next Step individuals will provide information, education, and encouragement on the topic of your choice to you, your group of friends, your church, your small group, or any other gathering.

Our Purpose

Next Step PRC exists to encourage and equip women and men to build successful families.

We are a religious non-profit and as such all your contributions, financial or material, are tax-deductible.

If you want to donate online and/or become a monthly supporter, go to nextstepPRC.org and click on "Support Us." We are also a registered non-profit on Amazon Smile.

With Outside Story Events, it's *Your Venue, Our Menu*:

Your Venue: It might be a one-on-one visit or a facilitated group discussion in your living room. It could be a panel discussion at your church or a video presentation at your small group meeting. The sky is the limit.

Our Menu: We have a broad range of topics to choose from relating to healthy individuals and healthy families. Some of our specials are:

- ▶ Developing Healthy Relationships & Sexual Risk Avoidance
- ▶ Reproductive Loss: infertility, miscarriage, stillbirth, abortion
- ▶ The Adoption Triad: adoptee, birth parents, & adoptive family

Do you think an Outside Story Event is something you'd like to set up or get more information on? Please contact us! We're excited to share our knowledge with our neighbors in eastern Oregon.
