Client Snapshot

Quotes & Stories to End 2020

“I love that there are ladies [volunteers] here in all different stages of life, that have different experiences and are able to speak into where I’m at in life right now. I had a tough day and was going to go home and cry but I decided to come in here instead because I always feel supported, welcomed, and encouraged.”

“The baby bundles are amazing and she had so much fun looking through everything. She loved that there are clothes in different sizes.”

A client quickly approaching her due date with her first baby came in to Next Step PRC in mid-December to learn more about preparing for childbirth. She hadn't had a chance to participate in any community childbirth preparation classes. Through our free Earn While You Learn program she was able to watch the first of four lessons on childbirth readiness, and hopefully will have a chance to complete the series before her baby decides to make an appearance!

Our Purpose

Next Step PRC exists to encourage and equip women and men to build successful families.

We are a religious non-profit and as such all your contributions, financial or material, are tax-deductible.

If you want to donate online and/or become a monthly supporter, go to nextstepPRC.org and click on "Support Us." We are also a registered non-profit on Amazon Smile.

Our Earn While You Learn curriculum expanded this year with the addition of lessons including Practical Fatherhood, job and career preparation, finance management, adoption support, and personal & home health. A new client anticipating beginning a family with his wife in the next year stopped by earlier this month. His friends told him Next Step is the place to go when beginning to prepare for a family, and he decided to see what we had available. He began watching our Practical Fatherhood lessons - hot apple cider in hand - and will be coming back for more!

Champions in the Community

Donated Time Provides Many Blessings

Next Step PRC was blessed by a community member earlier this year who donated many hours of her time to completing projects on our "to-do" list. We'd like to give an anonymous shoutout and a big 'thank you!' for all of her work!

At Next Step PRC we recognize that individuals are led to serve in many different ways. We are so thankful to everyone who has volunteered, donated time, and blessed us over the last twenty-eight years as decorators, contractors, janitors, organizers, prayer warriors, client advocates, receptionists, and every other type of volunteer, both visible and behind the scenes! We are so grateful - your time and efforts have resulted in countless individuals being served in this community. You are all champions - someone involved in *championing the cause* of Next Step!

If you would like to serve your neighbors in the community and need ideas, or would like to serve as a Next Step Champion, we encourage you to contact us. Next Step PRC is a conduit: we help individuals who are led find outlets to serve. Our goal is to help our champions reach individuals in need: the women, men, and children in our community - our neighbors.

Come learn about how you can make a difference in your neighborhood of eastern Oregon, especially as we move into 2021.

Lastly, Merry Christmas and Happy New Year from the entire Next Step Pregnancy and Relationship Center team!
